The Copyright Review Management System (CRMS) supports copyright review of works in HathiTrust. Its creation was supported by three National Leadership Grants from the Institute of Museum and Library Services (IMLS): LG-05-08-0141-08, LG-05-11-0150-11, and LG-05-14-0042-14.

CRMS-World denotes the second stage of the project, begun in 2011. Melissa Levine was the Principal Investigator. Its website was “IMLS National Leadership Grant-CRMS World,” with an original URL of <https://www.lib.umich.edu/imps-national-leadership-grant-crms-world>. That site was archived by the Bentley Historical Library and is now offline. The final archived copy of each page of that site is listed below.
